

About us

Established in 2019 by Austin Reville and Dale Creed Francis, 2 If By Sea Tactical is a retail Federal Firearms Licensed Dealer in New Prague, MN. With a passion for firearms and a commitment to the 2nd Amendment, we serve recreational shooters, hunters, law enforcement, and self-defense advocates through our 10,000 sq. ft. facility, which features an indoor shooting range, firearms sales, rentals, safety training classes, custom laser engraving, and community event space. We invite everyone to join our membership club for exclusive benefits and discounts, and we plan to expand into archery equipment, shooting leagues, and a VR Room for training. For more educational content, check out Austin's YouTube series "From the Vault."

God Bless America!
Austin & Creed
